As a dark new power rises from the shadows of New York, so does a much darker power return to the city's streets...*for revenge.* One of the most terrifying villains in the history of comics is back—and more deadly than ever!

Returned forever changed by a maddening ordeal beyond imagining, the Shredder is a man out of time, betrayed by all around him, without the Foot Clan, and quite possibly insane. When one of his former Foot prodigies forms their own rival clan with infernal designs on New York, a recovering Shredder must quest deep into the criminal underworld, where enemies both old and new will discover what defiance will bring them at the end of the Shredder's blades.

Dan Watters, the celebrated writer of *Batman: Dark Patterns, Nightwing, Lucifer, Six Fingers,* and *Home Sick Pilots,* teams with Michele Bandini *(Batman Incorporated, Spider-Man: City at War)* to tell the rags-to-revenge story of the ultimate ronin.

Plus, the Turtles take to the streets for a simple patrol...but what they find will rock their shells! Realities collide when they come face to face with a threatening force from the future. Can the brothers band together to take down this mysterious foe?

Then, Oroku Karai takes center stage in a battle for control of the Foot Clan. Karai has spent her life in the shadow of men: first her father, then her grandfather, Oroku Saki, the so-called Shredder. But no more. Now the Foot Clan is hers to command, and she has grand designs on seeing her clan reach its full potential. Karai has learned that Saki shared mystical secrets with the Teenage Mutant Ninja Turtles—secrets meant only for those loyal to the Foot. As the weather cools and leaves start falling, it's spooky season in Ponyville!

Something terrifying is happening at Sweet Apple Acres. Bad apples have come alive and are determined to take over all of Ponyville in "Night of the Apples!" Then, the Ponies go on an adventure to a newly erupted geyser and after some fun playing in the water, they begin to act a bit strange, perhaps even...*sinister*, in "Ponies of Dark Water!"

Collects *My Little Pony: Friendship is Magic* issues #32–33 and #43–45 by writer Thom Zahler and artist Tony Fleecs.

It's holiday time in Ponyville! Celebrate this special time of the year with your favorite Ponies.

It's almost Hearth's Warming Eve, and the Apple family is busy at work preparing an array of tasty apple treats for all of Ponyville. But when a mysterious creature starts ruining their crop, Applejack sets out to find out who's behind this tomfoolery! Who, or what, is the SASS SQUASH? Then, when Twilight Sparkle and Spike get stuck in a snowstorm, Twilight reads some classic Equestrian holiday tales to pass the time, including *The Flying Reindeer*, *The Toy and the Mouse*, and *'Twas the Night Before Hearth's Warming Eve*.

As Hearth's Warming Eve gets celebrated earlier and earlier every year, the Flim-Flam Brothers roll into town selling all manner of trinkets and the story of Windy the Windigo! But will Twilight and Applejack spoil everyone's holiday by chasing them out of town? Plus, when Rarity is invited to three parties on Hearth's Warming Eve--one in Manehattan, one in Canterlot, and one at home in Ponyville--she is loath to miss out on any of the fun and decides that instead of deciding, she'll just go to all three! In the final story, the Equestria Girls get in the holiday spirit by giving Sunset Shimmer the family she doesn't have, but as secrets get out, Sunset may be left out in the cold!

Discover the whimsical magic behind Halloween in this timeless new illustrated fable for the whole family!

Meet the Spoops!
Who — or what — are the Spoops?

Why, they're the Spirits of Halloween, of course! Mysterious little creatures that hatch every year in your local pumpkin patch and make sure everything is just right by October 31st.

Meet Holly, a little girl who loves Halloween. The only problem? Her parents are dentists who hate tooth-rotting sweets and forbid Holly from trick-or-treating.

Every year, Holly spends Halloween alone in her room watching sadly from the window as the other kids in her neighborhood dress in costumes and run door-to-door having fun.

But things are about to change; for you see, Holly has accidentally summoned the Spoops!

Now with Holly's cleverness and a dash of Spoops magic, Holly might finally have a chance at a Happy Halloween!

However, all weren't thrilled with these yearly fall traditions:
Meet Dr. and Dr. Hollowell, both devout dental clinicians.
HOLLOWELL DENTAL
They thought the day was rotten, causing oral devastation.
If it were up to them, they'd support its cancellation.
"A cavity catastrophe!" the pair was known to shout.
"A day for greedy kids whose teeth will all fall out!"
But despite their constant sermons
And their anti-Hallow-lean,
Their little daughter, Holly,
Was in love with Halloween...

These "Spirits" are called Spoops
And every fall they hatch
Born from the smallest gourds,
In every pumpkin patch.
They come in many forms
From mummies, birds, and bats,
To little pumpkin heads,
And turnips, ghosts, and cats!

Story & Art
Lukas Kummer

This head-spinning, time-bending graphic novel is a nuclear fusion of fantasy and science fiction whose every page glows with an eerie light. Will you survive the blast?

Pursued by a terrifying demon, a young knight flees across the radioactive ruins of a fairy-tale land. His only weapon is the same cursed power that once destroyed this world—what some would call magic, and others would call technology.

As his relentless enemy draws closer, the knight's terrible secrets begin to unfold. How many lives has he lived? Is this the past, the present, or the future? Is he destined to bring love, or unimaginable destruction? And if he fails...will humanity get another chance?

The English-language debut of Austrian-German graphic novelist Lukas Kummer arrives like a thunderbolt, arcing brilliantly between timelines, genres, and dimensions. This ambitious, atom-smashing book combines trace elements of everything from *Tintin* to *Blade Runner* to *Adventure Time* to *The Dark Tower* into a deadly breakthrough: intricate, explosive, and entirely new.

"The best work to date by one of the greatest talents of the German-speaking comic world."
— Andreas Platthaus, *Frankfurter Allgemeine*

"Kummer draws his neon-synthetic universe with a great sense of tragedy, using minimalist style to create epic images."
— Michael Hüster, *PPM*
